GHOUSIA COLLEGE OF ENGINEERING

Ramanagara-562159, Karnataka
Affiliated to VTU, Belagavi, Recognized by Government of Karnataka & AICTE, New Delhi
Accredited by National Board of Accreditation, New Delhi
Department of Computer Science and Engineering

Presents

TECHGHOSIA'24

EXPLORE THE PLETHORA OF TECH!

5TH & 6TH DEC 2024

Participate and stand a chance to win exciting cash prizes!

INTRODUCTION

We are thrilled to present TechGhosia'24, the ultimate celebration of technology, innovation, and creativity. This two-day extravaganza is packed with exhilarating events and activities designed to challenge your skills, ignite your curiosity, and spark your passion for technology.

Dive into stimulating debates that test the depth of your perspectives, showcase your coding expertise in thrilling competitions, and let your creativity shine through artistic and technical showcases. Gain valuable knowledge and inspiration from expert-led seminars and connect with like-minded peers to share ideas, experiences, and aspirations.

Join us as we explore the frontiers of innovation, celebrate technological excellence, and pave the way for a brighter, more connected future. TechGhosia'24 promises an unforgettable journey into the world of tech!

MUNADHARA

THE CLASH OF THOUGHTS

Munadhara, meaning "debate" in Arabic, is a battle of intellects where opposing viewpoints are presented, challenged, and defended. In parliamentary Debate, teams argue motions with logic, persuasion, and strategy, testing their quick thinking and communication skills in a structured environment.

Format: The debate will follow the classic Parliamentary Style format, with teams of two members each.

- Each team will take on a designated role, either as the government or the opposition, arguing for or against a specific motion.
- Topics will be provided on the spot and participants will be allotted preparation time.

Registration: To participate in this intellectually stimulating competition, scan the QR code given at the end of the brochure.

Registration fees: ₹ 150 per team.

CEREBRAL CIRCUS

TEST YOUR KNOWLEDGE

Dive into the world of technology and innovation with **Cerebral Circus**, a thrilling quiz competition designed to challenge your tech-savvy mind. From the latest trends in AI to the history of computing, this event covers a broad spectrum of topics, testing participants on their knowledge and quick thinking. Engage in a fast-paced, exciting journey as you battle it out for the title of Quiz Champion.

Format: The competition will consist of multiple rounds, including multiple-choice, audio-visual, and rapid-fire questions. Teams of up to 2 members will compete on tech topics ranging from general knowledge to specialized fields. The final round will be an exciting buzzer round.

Registration:To participate in this intellectually stimulating competition, scan the QR code at the end of the brochure.
Registration fees: ₹ 150 per team.

BUGQUEST

DEBUGGING MASTERY

Calling all coding wizards! TechGhosia'24 presents **BugQuest**, a challenging Debugging and Coding Contest. Put your technical skills to the test, analyze complex code, resolve bugs, and showcase your problem-solving abilities in a competitive environment. Whether you're a beginner or an expert, this contest will push your coding limits!

Format: Participants can compete individually. The contest features two rounds: Coding and Debugging.
- Coding round: Solve coding problems with no bugs.
- Debugging round: Identify and fix bugs in pre-written code.
- Speed and accuracy will determine the winners!

Registration: To participate in this intellectually stimulating competition, scan the QR code given at the end of the brochure.
Registration fees: ₹ 50 per head.

VICHAR PRASTAV

UNVEIL IDEAS

Vichar Prastav offers participants an opportunity to present innovative ideas, research, or projects in the field of technology. This platform allows speakers to showcase their knowledge, engage with the audience, and stimulate thought-provoking discussions. It's your chance to be a thought leader and inspire others!

Format: Each participant presents a 10-to-15-minute seminar on a chosen tech topic.

- After each presentation, a brief Q&A will follow.
- Topics can range from emerging technologies to innovative research.
- Students can make use of PPTs or Chalk and Board for Presentation.

Registration: To participate in this intellectually stimulating competition, scan the QR code given at the end of the brochure.
Registration fees: ₹ 50 per head.

ARTVATAR

FUSION OF ART

Artvatar is a creative competition that challenges participants to represent a tech concept, idea, or problem visually. Using artistic skills, participants will design informative posters that communicate complex topics in an easily digestible format. Bring your ideas to life on paper and catch the eyes of the audience!

Format: Artvatar is a solo poster-making contest.
- Materials: Participants are free to use any digital software such as Canva.
- The theme will be provided on the spot and sufficient time will be given.

Registration: To participate in this intellectually stimulating competition, scan the QR code given at the end of the brochure.
Registration fees: ₹ 50 per head.

PRIZE POOL

Techghosia'24 is excited to announce a generous pool price to participants in the debate and quiz contest. The prizes will be awarded to the top performers, recognizing their exceptional skills, knowledge, and innovation skills.

The pool prize will include:
- Cash prizes for the winning teams and individuals.
- Certificates of achievement and recognition.
- Exclusive opportunity to network with industry professionals.
- Access to valuable resources and mentorship opportunities.

REGISTER HERE

Scan the QR given below to register for Techghosia'24. Participants can register for multiple events through the same QR code.
